REPORT AND RECOMMENDATION OF THE MAGISTRATE JUDGE

This matter is before the Court pursuant to Title 28 U.S.C. § 636(b)(1)(B) and (b)(3) upon Defendant's request to enter a plea of guilty pursuant to Fed. R. Crim. P. 11 and a written plea agreement that has been entered into by the United States and Defendant. The matter was presented to the Court upon the written consent of Defendant and counsel for Defendant to proceed before a United States Magistrate Judge, said consent including Defendant's understanding that he consented not only to having the Magistrate Judge conduct the hearing, but also to having the Magistrate Judge make necessary findings and accept any guilty plea as may be entered that could not be withdrawn except for a fair and just reason.

On August 27, 2015, the Court first conducted a Rule 11 colloquy of Defendant. At that time, however, the Court found reasonable cause under 18 U.S.C. § 4241(b) to order a competency examination of Defendant, as a result of Defendant's responses. On September 3, 2015, Dr. Evan S. Nelson submitted a psychiatric report that concluded that Defendant "possessed a rational and adequately factual understanding of a trial and the roles of courtroom personnel, and possessed the capacity to assist counsel in preparing a defense." On September 9, 2015, counsel for both Defendant and the Government indicated their agreement with Dr. Nelson's report and a finding that Defendant was competent to enter a guilty plea. The Court then conducted a second Rule 11 colloquy.

During the colloquy, Defendant pled guilty to the Indictment in open court and pursuant to a Rule 11 inquiry. Upon consideration of the responses and statements made by Defendant under oath, on the record, and based upon the written plea agreement and statement of facts presented, as well as Dr. Nelson's report, the Court makes the following findings:

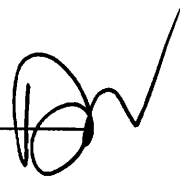

1. That Defendant is competent to enter a plea of guilty;
2. That Defendant understands the nature of the charge against him to which his plea is offered;
3. That Defendant understands what the maximum possible penalties are upon conviction of the offense charged, including any mandatory minimum periods of confinement, the effect of any required term of supervised release, the loss of various civil rights (if applicable, including the right to vote, the right to hold public office, the right to own and possess a firearm), the possibility of adverse immigration consequences (if applicable), the required imposition of a special assessment, forfeiture of real and/or personal property (if applicable), and restitution (if applicable);
4. That the sentencing court has jurisdiction and authority to impose any sentence within the statutory maximums provided; can reject the parties' stipulations as to drug quantity and/or any sentencing factors; will determine the defendant's actual sentence in accordance with 18 U.S.C. § 3553(a); and, after considering the factors set forth in 18 U.S.C. § 3553(a), may impose a sentence above or below the advisory sentencing range, subject only to review by higher courts for reasonableness;
5. That Defendant understands his right to persist in a plea of not guilty and require

that the matter proceed to trial with all the rights and privileges attending a trial, including, but not limited to: the right to effective assistance of counsel; the right to use the power and processes of the Court to compel evidence on Defendant's behalf; the right to confront and cross-examine adverse witnesses; the right to present relevant evidence; the right to remain silent; and, the right to trial by jury;

6. That Defendant understands that he is waiving any right to appeal whatever sentence is imposed by pleading guilty, even if the sentence is erroneous, as long as said sentence does not exceed the total statutory penalties provided;
7. That Defendant understands all provisions of the written plea agreement, which was reviewed in essential parts with Defendant during the proceeding;
8. That the plea of guilty entered by Defendant was knowingly and voluntarily entered and is not the result of force or intimidation of any kind; nor is it the result of any promises other than the representations set forth in the plea agreement; and
9. That the plea of guilty entered by Defendant was knowingly and voluntarily made with full knowledge of the consequences and with an independent basis in fact to support said plea.

Accordingly, the Court accepted Defendant's plea of guilty and entered judgment of guilt on the subject charge. It is therefore the recommendation of the Court that its findings, including the acceptance of Defendant's plea of guilty and resulting judgment of guilt, be adopted.
